702.39. Storm (From the Comprehensive Rules)

702.39a Storm is a triggered ability that functions while the spell is on the stack. "Storm" means "When you play this spell, put a copy of it onto the stack for each other spell that was cast before it this turn. If the spell has any targets, you may choose new targets for any number of the copies."

702.39b If a spell has multiple instances of storm, each triggers separately.

cards - Rite of Flame and Burning Wish! A few key strengths to TES that separate it from the other storm combo decks in Legacy are its blazing fast speed (while staying consistent and often backed by protection) which allows the deck to win before the opponent can cast their hate spells, high tutor density, the utilization and flexibility of Burning Wish, the strength of its ability to win off of the card Ad Nauseam and its ability to reliably play multiple colors in a consistent manner.

between TES and its cousin Ad Nauseam Tendrils. TES can be defined by its early game synergies between Empty the Warrens and Cabal Therapy as well as its other red

Since then The EPIC Storm's incarnation the has gone from a niche deck to a powerhouse played all around the world, with some impressive finishes!
